---

---

---

---

Briefly describe the project for which you are applying for the 99s Canadian Award in Aviation, which could be used in a press release should your application be successful (for example, purpose, relevance to others, scope of project). Attach additional pages as needed.

You are encouraged to include a project budget, brochure and/or relevant photos.

Mail or email completed applications by **August 31** to:

99s Canadian Award in Aviation  
665 Windermere Rd. Suite 1102  
London, ON N5X 2Y6  
Attention: Grace Howell, Trustee [gracehowell43@gmail.com](mailto:gracehowell43@gmail.com)

## Applying for the 2018 Canadian Award in Aviation

In 1974 Canadian Ninety-Nines established the Canadian Award in Aviation to promote aviation within Canada. For over forty years, individual Ninety-Nines and friends of the Canadian Ninety-Nines have contributed funds to provide an **annual award of \$1,000 - 2,000 to registered Canadian charitable organizations** whose activities promote, improve or preserve aviation and aeronautics in Canada. The award allows our women pilots to promote aviation through other organizations. Individuals and Ninety-Nines do not qualify to receive this award.

In 2017, the Award was presented to the **British Columbia Aviation Museum** in Sidney BC ([www.bcam.net](http://www.bcam.net)) to assist with the construction of a replica 1917 Hoffar H1 floatplane. The Hoffar is the first aircraft that was designed, built and flown successfully in the province of BC.

Applications for the 2018 Ninety-Nines Canadian Award in Aviation must be received by August 31, 2018. Mail or email completed applications to:
